

VILLAGE OF ESTRAL BEACH
“The Go-To Village on the Sunrise Side.”

March, 2024

Dear Neighbors,

Spring begins on March 19 this year since it's a Leap Year! If you are like me, I am ready for it! Some updates to share:

- *With the coming of Spring, its Clean-Up/Spruce Up. Let's all do our part! Official Clean-Up Weekend is Friday, April 19 thru Sunday, April 21. Two large dumpsters will be at the Village Hall including trailers for scrap metals and tires. Remember your neighbors when using the dumpsters!*
- *Work has started with planning for the Ditch Renovation Project. Currently studies are being done to prioritize which ditches should be worked on first, and coming up with plans for culverts needing replacing: culverts that the Village is responsible for, and private culverts that homeowners are responsible for. Stay tuned!*
- *We are also working on plans for repaving of the roads that still need attention – looking at possible options that Lansing would approve.*
- *With Spring, work will commence on the South End Storm Water Pump Project funded by federal COVID funds and your local tax dollars.*
- *The Council has discussed how to support slowing down the speeding on our roads, including the use of speed bumps – any thoughts on this to share?*
- *Looking for some extra money and want to support the Village? We are looking for part-time support for the Building Department, DPW and the Fire Department.*
- *Estral Beach Kids Easter Party Saturday, March 30 from Noon to 2pm, Village Hall (Residents children and grandchildren 14 years and under). Please donate a bag of candy for the kids!!*

Thanks again for your support. Let me know if you have any ideas that will make our great Village even better!
